Agricultural and Horticultural Census: Return for 2nd June, 1972

To be completed and sent back by 9th June, 1972

EW1972

Agricultural Censuses and Surveys Branch,
Government Buildings (Block A),
Epsom Road, Guildford, Surrey.

26th May, 1972

Agriculture Act 1947
The Agricultural Statistics (England and Wales) Regulations 1948-1956

On behalf of the Minister of Agriculture, Fisheries and Food I hereby give you notice that he requires you to complete in writing, in respect of the land occupied by you, the enclosed form of return for the Agricultural and Horticultural Census so as to give the information asked for on the form in accordance with the instructions for completion of the return which are also enclosed. Except where otherwise specified on the form, the information is to relate to the position on 2 June, 1972. Information is also required in respect of the periods described on the form. The completed form must be sent to the Collecting Officer at the above address within 7 days from 2 June, 1972.

With the exception of question 143, THIS RETURN IS COMPULSORY, and under Section 81 of the above Act penalties may be imposed for failure to make a return or for knowingly or recklessly furnishing false information.

Except as specified under Section 80 of the above Act no information which you give on the return may be published or otherwise disclosed without your prior written consent.

B. C ENGHOLM, Secretary

In any correspondence please quote the reference number of your holding.

PLEASE RETURN IN ENVELOPE PROVIDED

CHANGE IN ACREAGE

1. According to the census records, the most recently recorded acreage of your holding is as shown above. If this differs from the total of the acreages which you are asked to enter at items 27 and 31 on page 2 of this return, the census records will be amended accordingly. Include land on this holding let by you for seasonal grazing, but not land on another holding used by you for seasonal grazing.

2. If, since you made your last return, you have either (a) acquired or (b) disposed of any land used for agriculture (see items 27-30), please give the following details:—

Acreage
Approximate date of acquisition/disposal (delete as appropriate).
.....
(see next column)

Name and Address of Previous/New (delete as appropriate) Occupier.

.....
.....
.....

3. Please give below the reason for any other change in the area of your holding.

.....
.....

DECLARATION

I declare the particulars given in this return to be correct to the best of my knowledge and belief.

Signature of Occupier

Date 1972

NOTE

The symbols shown against the item numbers on pages 3 and 4 and elsewhere and various punching instructions are included to facilitate computer processing and should be ignored by the person completing this return. For the same reason, the numbering of items is no longer consecutive.

The present occupier should complete and sign this return even if he has only recently taken over the holding and the name given on the form is not his. If an accredited agent signs the form the name of the actual occupier should also be shown.
